Engr. V.O. Nweke m.n.s.e (Civil) General Manager(Operations & Construction)
General Management, Civil/Structures)

Engr. Amaechi Chinwuba m.n.s.e (Elect) G.M. (Engineering Services)
General Management, Electrical/Building Construction.
Power generation, transmission & distribution

Engr. Abraham O. Amiolemen m.n.s.e (Civil) G.M. (Civil/Structures)
General Management. Civil/Structures, Dams,
Erosion& Flood Control, Building Construction.

Engr. Gbenga Olutofehinti m.n.s.e. (Elect)
General Management Electrical Engineering System,
Design and Installation

G.M. (Electrical Services)

Engr. Peter Bolade Oni m.n.s.e (Mech)
Mechanical Engineering Systems, Design and Installation.

G.M. (Mechanical Services)

Mr. Bolaji Salami a.n.i.q.s (QS.)
Building Quantities and costing, Project management

G.M. (Quantities)

Engr. Uche Kalu Ibem Manager Civil Structure
Civil/ Structures, Building Construction, Roads, Culverts,
Drainages and Bridges.

A. G. M. (Civil/ Structural)

Engr. C. Diobi m.n.s.e (Mech.)
Facility Management, Building Services
Mechanical Installation, Generators, Plant Services

A.G.M. (Mechanical)

CURRICULUM VITAE OF KEY STAFF

Arc. Chris. I. Nwofor ARCON F/1273 (President & Chief Executive Officer)

Qualification

Bachelor of Science in Architecture (B.Sc. Arch) U.N.N 1987
Master of Science in Architecture (M.Sc. Arch) U.N.N 1989
Full Member, Nigeria Institute of Architects (M.N.I.A) 1993
Full Registered Architect, Architects Registration Council of Nigeria (ARCON) 1993

Areas of Specialization:

Architectural Design and Supervision
Office Buildings
Residential Development Advisory Services
Landscape and Interior designs
General Construction Management

Career History:

Inter-Group Architects
TRIAD Associates (Architects & Consultants)
Inter-Group Architects.
Arc. – Projects (Nig)
TEAM RESOURCES NIGERIA LTD.
CHRIS NWOFOR ARCHITECTS
TECHNO TEAM LTD.

Project Involvements:

Standard Organization of Nigeria Office Development Enugu, (N5.5M) 1987
Faculty Building University of Agriculture, Makurdi, Benue State. (N7.0mM)
NNPC Central Ware-House, Warri, Delta State (N10.6M) 1988
Development of Residential estate of NIMO, Anambra State (N4.14M) 1989
23 Degel Road Development at Kaduna, Kaduna State (N10.9M) 1990
Political Party Offices Development Programme State Headquarters (7.0M) 1990
Residential Development at Sesegbon Street, Ikeja GRA Lagos (N30.M) 1991

Land filling/Gully Erosion at Kubwa. Abuja for Bwari Area Council (46.8M) 2006
Site preparation, Gully Reclamation and stream diversion for integrated farm project at Gwagwalada for PRIMERA investment (65.0M) 2005
Gully Erosion Control works at Amaoba Ikwuano LGA for F.M.E. (67.318) 2006

Engr. Amaechi Chinwuba (General Manager, Engineering Services)

Qualifications:

Bachelor of Engineering (B.Eng) Elect U.N.N. 1980
Master of Engineering (M.Eng) Elect U.N.N 1993
Fully Member, Nigerian Society of Engineers (M.N.S.E.)
Fully Registered Engineer, Council for the Regulation of Engineering in Nigeria (C.O.R.E.N).
NO 6043

Areas of Specialization:

Package Electrical Engineering Consultancy in Buildings, Estate and Districts
Designs and Implementations of Substations and Transmission Lines
Analysis and Preparation of Electrical Facility Tenders
Design and Construction of Electrical Panes and Control Devices
Metering and Distribution network Management
General Engineering Management

Career History:

Federal Capital development Authority
AGIMA Foundation Ltd

Western Projects Consortium (Petroleum Special) Trust Fund
News Engineering (Nig) Ltd
MECHERINT LTD.

Project Involvement:

Project Supervision of Jabi Water Construction, Electrification of Garki District and Construction of Lower Usman Dan water Supply Scheme (1980-1985)
Maintenance of Water Treatment Facilities, Electrical Infrastructure and Facilities in the federal capital Territory (1980-1985)
Preparation of Technical Studies and Planning for 33/11KV Substation. Tender Appraisal of 33/11kv Sub-station
Preparation of contract documents
Project supervision of 132/33/11kv
Preparation of construction and as- built documents
Feasibility design of 132/33/11kv Sub-station
Basic design of 132/33/11kv Sub-station
From various projects under AGIMA Foundation Ltd (1985-1998)
Articulation of design requirement and electrical specification preparation of master project schedules for rehabilitation programmes for various intervention projects under the western projects consortium of petroleum (special) Trust Fund (1995-1998)
Reinforcement of NEPA 132/33/kv substation at Suleja, Bauchi and Katsina
Construction of 2x39MVA 132/33KV Substation at Jalingo
Construction of 123/33kv substation at Amukpe
Construction of 132/33KV Substation at Keffi

Engr. Amiolemen Abraham Osahon General Manager (Civil/Structures).

Qualifications:

Bachelor of Engineering Civil (B.Eng) Edo State University, Ekpoma 1994.
Member, Nigeria Society of Engineers (M.N.S.E)
Fully Registered Engineer, Council for the Regulation of Engineering in Nigeria (C.O.R.E.N.)
No. 12,293
Diploma in Computer Studies (Auto Cad Designs Proficient)

Areas of Specialization:

Civil/Structures, design and Construction
Flood/Erosion Control and Dams
Drainage Networks in urban Infrastructure
General Engineering Management

Career History:

Sesshem (Nig Ltd (Building/Civil Engineering Contractors)
Parkman Consultants Ltd (Water and Dam Engineers)
GABCON Enterprises (Nig) Ltd (Civil Engineering Contractors)
Sparklight Engineering Company Ltd (Civil Engineering Contractors)

Project Involvements:

Construction of Ina-Ina Filling Station at Gananja Junction Lokogoma- Lokoja (N16.0M) 1994

Construction of New GRA Road, off Otukpo Road Makurdi (Surface Dressing of 1.5km road with side drains) (18.9M) 1995
Construction of Residential Estate of 25 units of Building at UTBS Estate Karmo-Abuja. Estate and Primary Infrastructure, roads, drains, electricity etc. (75.5M) 1997
Rehabilitation of Malumfashi Dam, Katsina State 1998
Construction of Gwagwaya Dam, Funtua, Katsina State 2000
Re-channelization of a River course on plot 206, 322 Road, Gwarimpa Estate Abuja for Dr. Nwane.
Design Construction of Retaining wall, drainage channels and culverts (N24.0M) 2000
Design Construction of a 45.0M retaining wall for Blue- Circle estate on plot 2697, Maitama Abuja. (N30.0M) 2002.
Erosion Flood Control Project at Amaoba Ikwuano LGA, Abia State a 2km road project consisting of side drains, retaining walls, box culverts and road consolidation. (67.318.0M)2007
Construction of King's Court Estate Phase III, Building and Engineering Infrastructure (N243.6M) 2007
Construction of Apo Shopping Plaza a Multi-Storey Shopping Complex with over 200 lock up Shops (N165.0M) 2007.
Construction of Idah-Ejule Road Erosion Control Project (134.0M) 2011
Construction of Federal Polytechnic Bida Water Improvement Scheme 25.0m/2007
Construction of Iton-Odoro Drainage/Erosion Control Project (315.0M) 2010
Construction of Block of 10No Luxury Flats on Plot 123, Utako District, Abuja (1850m) 2013

Engr. Olugbenga I. Olutofehinti General Manager (Electrical Services)

Qualifications:

Bachelor of Engineering (Electrical Power) B.Eng University of Ife 1983
Member, Nigerian Society of Engineers (M.N.S.E)
Fully Registered Engineer, Council for the Regulation of Engineering in Nigeria (C.O.R.E.N.)
Master of Business Administration (Engineering/Technology Management)
NO 7076

Areas of Specialization:

Electrical System Design and Installation
Power Generation
Transmission Systems
Engineering System Management

Career History:

Broadcasting Corporation of Oyo State, Ibadan
Safa Splints (Nig) Ltd
The Polytechnic, Owo, Ondo State
Federal Ministry of Works and Housing
Rocks of Engineering (Nig) Ltd
OLKON International (Nig) Ltd

Project Involvement:

Federal Govt. Secretariats in state capital of Kano, Adamawa, Cross Rivers, Ogun and Enugu
Staff Housing Scheme for Ministry of Mines, Power & Steel, Maidugri, Borno State
Category C Block of flats, World bank assisted Project Government reserved Area, Ijora, Lagos
University Teaching Hospital Calabar and Kaduna

3rd Armored Division Headquarters Office Complex, Rukaba Cantonment, Jos, Plateau State
3rd Armored Division GOC Residential Complex, Rukaba Cantonment, Jos, Plateau State
11kv Power Line Extension to the GOC Residence, complete with the standby Power Generation System, Rukaba Military Rukaba Cantonment, Jos,
Comprehensive Rehabilitation of a 15MVA, 33/11KV injection substation and power distribution network rehabilitation for Shedam Barracks, Shedam Plateau State
Power Supply and Distribution Network rehabilitation for Shedam Barracks, Shedam Plateau State
World Bank -assisted 33KV power line construction and commissioning of 2 nos. 750KVA Transformer
Substations for project wood processing industry Ijebu Ode, Ogun State
Productions Machine Control Panel and factory, Lightening Network Installations for consolidated food and beverages, Limited, Okokomaiki, Lagos
Ultra modern 2500 – mixed category shops, Abuja transnational market, Kuje, FCT internal Lightening and Power Distribution Schemes
The Abuja Transnational Market project – Electricity Supply Reticulation VIS 33KV and 11KV lines networked for 2x 15 MVA, 1x 7. MVA Injunction sub-stations as well as 500KVA, 11/0.415KVA substations

ENGR. PETER BOLADE ONI General Manger (Mechanical Services)

Qualifications:

Bachelor of Engineering (Mechanical) B.Eng, University of Ife 1984

Member, Nigeria Society of Engineers (M.N.S.E.)

Fully registered Engineer, Council for the regulation of Engineers in Nigeria (COREN)

NO 5801

Areas of Specialization:

Mechanical Systems Design/Installation in Building and estate

Mechanical Services Maintenance

Facilities Management

Career History:

Bomeg Associates, Adeyi-lagos

Ekeel Consultant Kaduna

Yaroson and Partners, Kaduna

Kunle Ogunbayo and Associates, Lagos

OLKON International (Nig) Ltd

Projects Involvements:

Construction of 12 Storey Building for Nigeria National Petroleum Corporation Kofo Abayomi Street, Victoria Island (1988-1990)

Design/Construction of ICON Merchant Bank Head Office, Victoria Island (1990-1993)

Construction of Chevron office Complex, Lekki-Lagos (1990)

Construction of Nigerian Navy Ammunition Depot, Apapa, Lagos (1986-1988)

Construction of Nigerian Army Ammunition Depot, Kachia, Kaduna (1986-1988)

Design/Construction of CBN Office Complex, Uyo, Akwa-Ibom State (1990-1993)

Construction of Ultra Modern Market 2,500 Mixed Category Shops, Abuja, Transnational Market, Kuje, FCT

Engr. Uche Kalu Ibem Manager Civil Structure

Qualifications

Bachelor of Engineering Civil (B.Eng) University of Benin, Benin 1995

Member Nigerian Society of Engineer (M.N.S.E)

Fully Registered Engineer, Council for the Regulation of Engineering in Nigeria (C.O.R.E.N)

R. 16,442

Diploma in Computer Studies (AutoCAD, Safe, Fastrack, Orion etc)

Areas of Specialization

Civil Structural Design and Construction

Civil Engineering Consultancy

Borehole, Dams and Urban Infrastructure

Career History

Contain West Africa Ltd (Civil Engineering Contractors)

Cubes Consult Ltd (Civil Works)

Bronx Design Ltd

Project Involvement

Refurbishment of Nigeria Telecommunication Building NITEL, Marina Lagos (2.6B) 1993-1996

EFCC Data Centre, Abuja, Construction (45m) 2007

Pope John Paul Centre Wuse II Renovation 2007

Design, Approval and Supervision of Sharing Cross Church at Wuse II, near AMIGO Stores (180m) 2009

Design, Approval and Construction of Civil for Millipat Hotel Ltd (86m) Nsukka

Construction of Millipat Filling Station and Commercial Plaza, Abuja

Construction of Al-Nur 6 Pump Filling Station Wuse II, Abuja

Design, Approval and Supervision of Brazilian Embassy, Abuja (2011)

Design, Approval and Supervision of Brazilian Consulate, Maitama Abuja

Design, Approval and Supervision of DFID Office off Gana Street Maitama Abuja (N170m) 1995

Design, Approval and Supervision of Romanian Embassy, Mandele Street Asokoro Abuja (75m) 1999

Design, Approval and Supervision of Niger Link Hotel, Wuse Zone 4 Abuja

Design, Approval and Supervision of Banex Plaza Wuse II Abuja

Design, Approval and Supervision of Metro Plaza Abuja (1.84B)

Design of 160km 4star Hotel at Wumba District for HAMMAN & FORMAN Construction Ltd

Engr. Shola Paul Abidoye Manager, Road/Civil Infrastructure

Qualifications

Bachelor of Technology (B.Tech (Hons) Civil Engineering LAUTECH, Ogbamosho
Full member, Nigerian Society of Engineers (MNSE) – No 20376
Fully Registered Engineer, Council for the Regulation of Engineering in Nigeria (C.O.R.E.N)
R. 16,846

Areas of Specialization:

Civil/Structural Design
Highway Design and Construction
Hydraulics and Hydrological Design
Urban Infrastructure Civil Works
Bridges and Tunnel Structures

Career History:

Mothercat (Nig) Ltd
Siraj (Nig) Ltd
Pilforj (Nig) Ltd

Project Involvements:

Mothercat Estate at Mando, Kaduna
Design of Dandume-Damari-Sabuwa Road (31km) in Katsina State N1,359,167,709.07
Design and Supervision of Mararaban Guga-Hunkuyi Road (27km) in Kaduna State
N478,998,284.30
Design and Supervision of Langtang-Tunku-Lalin-Shendam Road in Plateau State N3,000,000,000
Engineering Design of the following Bridges on the Dualization of Bridge (300m) and Rege River
Bridge (60m).
Project Manager for the Engineering Design of Arterial Road, S30, Collector Road A & B and other
Access Roads in Phase III, South of FCC, Abuja
Engineering Design for the Dualization of Aba-Ikot-Ekpene Road in Abia and Akwa-Ibom States.
Engineering Design and Supervision of the Dualization of Onitsha-Owerri Road in Anambra and Imo
States.
Engineering Design and Supervision of the Metropolitan section of Gombe-Biu Road in Gombe State
Engineering Design of the Rehabilitation of the Onitsha-Enugu Dual carriageway Road in Anambra
and Enugu States.
Engineering Design of Court Road, Sabo-Gari, Kano State
Engineering Design of Opehu-Etche Road in Imo and Rivers State
Engineering Design of Calabar-Oban-Nsan-Okoriba-Okuni Road in Cross River State for the Ministry
of Niger Delta Affairs
Structural Design and Supervision of the Grace FM Building in Lokoja, Kogi State, Structural
Design of various Building in Abuja
